Section 5: Timetabling

Please let us know any timetabling requests here, in the knowledge that:

- **Over 75% of schools ask for tuition in the afternoon**
- **If you have had afternoon tuition for several years in a row, we may ask you to accommodate tuition in the morning next year, to try to ensure we can allocate time slots equitably**
- **Tuition slots of between 1 – 1.5 hours are very difficult (but sometimes possible) to timetable in the afternoon due to the fact that they can preclude staff from visiting more than 1 school and therefore trap unusable time in timetables**
- **We will do our very best to ensure you are kept up to date with the timetabling process as it develops and hope to have agreed and published your timetable by the end of June.**

<p>Please enter any timetabling preferences here: We will do our best to accommodate your requests</p>	<p>Preferred times for tuition:</p>	<p>Times to avoid for tuition:</p>
